

# Project Sheet

## Animal Project

**Project Name: Animal Project**

**Open date : February 2016**

**Start Planed : February 2016**

**Finish date actual : March 2016**

## Description Why ?

The animal Project is Working since laste year 2015. We have before cows and goats we proced for the special project MDO

We want to refinance the project with a number 6 cows and 20 goats. In fact we oblige to send this project to missions und Bastel gruppe Brachelen. Just to see what they can do for us.

## Total cost estimate

We estimate as well:

6x 3000 \$ =18.000-

20 x 500\$ ht = 10.000-

## Total cost actual:

We estimate in total

\$ 28.000. HT for the realization of Project. Estimate in USD \$ 32400-00 US

## Time planed

We planed month of February to finish March 2016

## Time completed

We completed end of march 2016

**Details:** The animal project is a key project for MDO. We need to continue this project because the parents of MDO benefit an animal for the revenue of MDO and.

Them:

Estimating

6 cows x 30000 =18000 \$ HT

20 Goats x 500 = 10.000 \$ HT

The total is 28.000\$ HT

Express about to \$ us

\$3200 us
