Project Sheet

Project name: Woman credit project

Refinancement

Open date : August, 2019

Start planed : September, 2019

Finish date actual: Illeimited

Description why?

This project was started since a long period. Step by the project is growing. But contacted the project asks to refinancement with a new amount money. Because the project is arrived to a level very interesting.

In fact, we want to add a new amount to refresh it.

Cost total estimate:

We estimated to refresh the project with an amount of \$ 4,000.00

Total cost actual:

The total cost actual is \$ 4,000.00

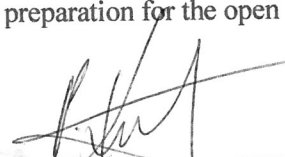

Time Planed:

We planned to realize this activity for August, 2019.

Details:

The new refinancement of the project will be done 10 new woman a possibility to go on the market for their activities. Also, the preparation for the open school. I think so it's very important also interesting.

Project approval:

Peter Koerfer

Date: 11.9.2019

Project start:

Célexant Fénelon
